Headline:
Dry, cold and mostly cloudy on Tuesday.

Today:
A mainly dry and cloudy day. Best chance of any brightness will be across northern Argyll, although freezing fog patches may linger into the afternoon here. Feeling cold. Maximum temperature 5 deg C (41 deg F).

Tonight:
It will be a rather cold and generally dry but cloudy evening and night with just a little patchy light drizzle along the coast. Winds will be light and variable. Minimum temperature -4 deg C (25 deg F).

Wednesday:
A dry but mostly cloudy morning, best chance of brightness across northern and western Argyll. Cloud will thicken in the afternoon with rain and hill snow spreading north. Maximum temperature 7 deg C (45 deg F).

Outlook for Thursday to Saturday:
Rain and hill snow much of Thursday and Friday, perhaps early Saturday. Turning drier but colder from the north on Saturday. East or southeast winds, strengthening on Saturday.
